

We would really appreciate if you could take a couple of minutes to give us some feedback about your hiking experience with us.

Guiding service:

- Did you feel safe during the activity?

We felt very safe. We appreciated how you let us choose if we should go ahead or not but also gave your honest opinion about the conditions.

- Was the guide professional and meet your expectations?

Guide was professional and exceeded our expectations!

- Was the guide respectful and attentive?

Guide was very respectful and attentive.

Transportation

Quality of the transportation:

- Was it comfortable?

Transportation was good and comfortable.

General

- Did you find price was reasonable?

The price of the service was reasonable. We may have been able to find a few trails on our own, but it made all the difference to have Tatiana who also shared history and stories from the area.

- Was the itinerary and its level accurate to the information we gave you in advance?

Itinerary was accurate

- Did we provide enough information throughout the process?

Yes, plenty of great information!

- How did the service compare to your expectations?

Exceeded our expectations!

Were we flexible in meeting your needs?

- Yes, very flexible!

General suggestions:

It was wonderful to meet you. John and I had a great day hiking. And thank you so much for inviting us to your home. It is absolutely beautiful - I'm still so impressed you and your husband built it yourselves. And your children are adorable!!! We will remember this trip forever (and we hope to come back to Patagonia soon). Please let us know if you ever make it through Atlanta.

Thanks again!

Margaret + John

Thank you very much for visiting Patagonia through our services.
